Water, Drain, Salt, Push Carts & Service Center Info

- Show Management will provide filtered, temperature controlled fresh **WATER** for filling your fish tanks (Please fill out the water request form in advance). Fresh water will be available from hoses on the perimeter of the show floor, or from rolling buckets near the back of the hall. **DRAIN** will either be directly into closest floor drain or for smaller tank set ups, into rolling trash cans that are located around the hall. RO (Reverse Osmosis) **SALT** water will be available for those who request. All requests for water must be made on the Water Request form by October 19, 2017.
- It is your responsibility to practice proper drainage – **Do Not** overflow floor drains and/or discard any debris into the drains that may cause damage to the power boxes that are set next to the draining components.
- Show Management has arranged with SourceOne Events, Inc. to provide 3 flatbed **PUSH CARTS** to be used by our exhibitors at **NO CHARGE**. These are on a first come, first served bases and may be checked out at the SourceOne, Inc. Service Desk. You must leave your driver's license at the service desk in exchange for the cart. Please be aware other exhibitors will be waiting for a cart, so be sure to return the one you're using just as soon as you are finished unloading.
- **SourceOne Events, Inc.** is the official Show Decorator. SourceOne Events will have staff available on-site for your additional needs such as furniture, labor, material handling, graphics and outbound logistics. The exhibitor **SERVICE CENTER** will be located on the show floor at the back of the exhibit hall.
- Exhibitor flooring is cement. Exhibitors interested in carpeting or floor covering in their booth must bring their own or order carpet from the SourceOne Service Kit.

Service Center Hours:

- Wednesday, November 1, 2017 8:00am – 4:30pm
- Thursday, November 2, 2017 8:00am - 8:00pm
